

510AE

Product no.: 510AE

Pliers for front stripping 0.25 mm – 1.02 mm .010 Inch – .040 Inch (AWG 30 – 18)

Robust, high-precision tools for use in electronics and aeronautical engineering

The required diameter is set by means of screws

Built to Last - Longest lasting durability on the planet

Weller Erem™ Pliers are designed to ensure an accurate and sure grip every time. Manufactured with uncompromising Swiss quality and created for worldwide applications, including electronics assembly and healthcare, Weller Erem Pliers are built to last. Feel the difference with Weller Erem™ – the proven choice. Every time.

BUILT TO LAST

Longest lasting durability on the planet

- + Quality**
Uncompromising Swiss quality created to be strong and durable
- + Precision**
Experience precise bending from the high-precision screw joint that enables a smooth action with no jaw overlap
- + 1 Million Movements**
Magic Spring™ design enables maximum durability with constant spring force movements
- + Comfort, Security and Grip**
Ergonomically-shaped handles provide superior comfort and fatigue-free handling with Maximum Opening Stop Technology
- ESD Safe**
Made from ESD-safe material to prevent damage to sensitive components

Technical Data

Length mm	120
Jaw length in mm	27
Head width mm	11
Head thickness mm	6
Width of tips in mm	3.5
Total height of both tips in mm	4
Length inches	4.724
Jaw length inches	1.063
Head width Inches	0.433
Head thickness Inches	0.236
Width of tips in Inches	0.138
Total height of both tips in Inches	0.157
ESD-safe	on
Erem applications	Aeronautical engineering
Material	---
Weight in g	72
Weight in oz	2.540
