Zero Smog® TL

The next level in removing dangerous gases and particles

Features and Benefits

> Extraction unit for up to 2 workplaces

> Low noise levels

> Portable, for placement under or next to the bench

> Easy filter replacement

> Audio-visual filter change alarm

> Quick and simple installation with Easy-Click system

> Variable speed setting

> Active carbon foam filter for effective gas cleaning

> Maintenance-free, brushless EC blower

> Easily-operated

Technical Data

|	
Dimensions (L x W x H)	335 x 330 x 445 mm
Weight	9 kg
Voltage	120 V, 60 Hz
Noise level	< 50 db (A)
Electrical power	120 W
Max. blower vacuum	3,000 Pa
Max. blower capacity	190 m³/h
Pre-filter	F7 fine dust filter
Compact filter	Particle filter H13 +10% carbon foam gas filter
Particle filter MPPS	>99.95%

Zero Smog® TL Kit 1 with ALFA Funnel Nozzle

> Zero Smog® TL fume extraction unit

> Stop valve with bench mounting bracket

> Flexible, adjustable extraction arm, 1 m, ø 60 mm

> Extraction hose, flexible, 3 m, ø 60 mm

> ALFA funnel nozzle

> Remote switch   FT91000033N

Order No. 120 V	**ZEROSMOGTLKIT1N**

Zero Smog® TL

Fine dust
pre-filter F7

Particle filter H13
and 10% active
carbon foam

Zero Smog® TL

> Zero Smog® TL fume extraction unit

> H13 particle filter and gas filter (10% active carbon foam filter)

> F7 pre-filter

Order No.   **ZEROSMOGTLN**

Kit 1 ALFA Funnel Nozzle

> Easy-Click-60 extraction arm with funnel, width 230 mm, height 100 mm, flexible arm, ⌀ 60 mm, lenght 1 m, with stop valve

Order No.   **T005365199N**

Filter Set H13

> H13 particle filter and gas filter (10% active carbon foam filter) and ten F7 pre-filters

Order No.   **T0058762858N**

Fine dust F7 pre-filters

> 10 F7 pre-filters

Order No.   **T0058762857N**

WT Hub

> The optional WT Hub connects the Zero Smog TL to one or two WT or WX soldering stations and enables cost-efficient, synchronized functionality – the Zero Smog TL only works when the user is actively soldering.

> Cable   T0058764710
(required for WX connection only)

Order No.   **T0058768767N**

Remote switch

> Cable length 2m

Order No.   **FT91000033N**
