PRODUCT BULLETIN

Bulletin No: PB423

Issue Date: 11-06-2018

Effective Date: 11-06-2018

Product Description:

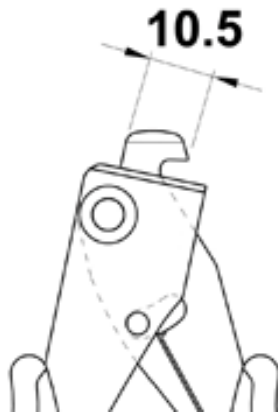

CHP Depaneling Tools

Part No:

DP-15-N, DP-15-N-D, DP-20-N
DP-20-N-D, DP-23-N, DP-23-N-D
DP-24-N, DP-24-N-D, DP-25-N
DP-25-N-D

Specification:

Head size reduced to 10.5mm

Comments:

The CHP DP series depaneling tools have been redesigned with better versatility. The smaller head on the new design will allow the tool to be inserted into tight spaces so it can be used on more variety of panels. The new version will be available as soon as current inventory is used up.
