Notes:

1. Data shown are typical values and should not be used as product specifications.
2. Valid product comparisons may only be obtained through side-by-side testing in the same test facility, under similar conditions. Current and/or comparison data may be available.
3. MicroCare makes general recommendations on which wipes are suitable for different cleanroom classifications. However, specific applications may affect those recommendations. The final decision should be made by the end user for their particular application.

The information set forth herein is based on data believed to be reliable. MicroCare makes no warranties express or implied as to its accuracy and assumes no liability arising out of its use by others. This publication is not to be taken as a license to operate under, nor infringe upon, any patents not herein expressly described.
